CHATTER

Published by the Leamington & District Half-Century Centre Inc. A great place to make new friends!

From the President **CLIFF HARTWICK**

Another new year is starting for our Centre and I would like to thank the membership for your confidence in me to serve as your President. Our Centre is thriving as we move forward with many projects. We are paving our parking lot. It's been our dream for several years and I am pleased to see it come to fruition.

We are also preparing for some new lighting to be installed, hopefully before the end of the year. Our kitchen project will now move to the top of the list for renovations.

I would like to remind the membership that fundraising projects are what keeps our dues down. We need your support at these events. They also help to pay for our special projects. Some upcoming events include our Petrolia bus trips, the Comedy Show and Hotdog BBQ, and our annual Yard Sale. We look forward to seeing you there.

Happiness blooms from within

From the Administrator Christine Lehn

I would like to thank the outgoing members of our Board for all the assistance they have given me the last 3 years: Elaine Taylor, Roy Trowell, and Jane Rittenhouse. Welcome to our new Board members, Carolyn Coad, Gail Turk, Carmen Unsworth and Homer Vandervecht. Serving on the Board is only one way of volunteering at the Centre. Another way to help is to bring desserts for our large fundraisers but the same few members bring them every time. Thank you to Sweet Retreat and Seacliff Manor for ice cream and cake for the Strawberry Social.

I would appreciate if other volunteers could help. Stop in and talk to me if you can help. This makes our fundraisers more profitable so I can continue to upgrade the facility. Our new parking lot is just one example of your participation turning into something tangible.

The Leamington and District Half-Century Centre welcomes these people who have joined since our last publication. So, let's extend a big welcome to each of them and introduce yourself to them; remember how you felt when you were a new member of the Centre. We welcome you, our new members, and encourage you to take part in as many of the activities as possible. We would also encourage you to get involved as a "volunteer." This is the quickest way to get to know us. Our volunteers are the reason why the Centre is so successful. We could not function without the people who give so generously of their time and energy to the Centre.
